

Your wedding décor guide for Hotel Doolin

Firstly, a huge congratulations on your engagement and upcoming wedding at Hotel Doolin!

Rí Weddings and Events are thrilled to be a small part of your big day! Our aim is to deliver a space that is unique to you as a couple from the moment you step into the Barn. Already a beautiful venue, our goal is to add the little touches that bring a piece of you to the décor.

The package the hotel offers is fantastic and covers a multitude,

from the table plan display and styling to the fresh greenery sprigs tucked into your napkin fold. The choice available is varied and covers every style from classic and elegant to rustic and romantic with a touch of quirky! If you are getting married in the hotel you will find all the information on your ceremony décor here too. We are available to arrange a phone consultation to run through your décor and ideas in more detail.

Entrance & Table Plan

Your table plan display is the first styling element to greet your guests as they enter the Barn and is placed in the lobby area. There are over ten options to choose from, you can find the perfect table plan to suit your overall personal style and theme. We design this space to be warm and welcoming by adding candlelight and florals to tie in with your colour scheme.

Top Table Décor

As the top table is the main feature of the evening for both you and your guests, we love to go all out! Whether it's a long top table or round, we always suggest choosing a low centrepiece to prevent decor disrupting your view of your guests. Going with a low option also aids the photographer capturing those special moments during speeches. A runner of delicate florals and candlelight adds that touch of romance and creates such a beautiful glow in your images.

Cake Table

The cake table is another focal in your room, placed to the side of your top table on a rustic style barrel. We add florals and candlelight to bring this display to life and with the addition of our cake hoop, it really is the perfect backdrop to your cake and truly finishes off this feature to create the perfect frame for your cake.

Bar Area

Included in your décor package with Hotel Doolin is unique photo area in the bar for your guests. All the tables in the bar are lit with lanterns with touches of floral to tie in with the main barn.

Table Numbers

We have a range of table numbers to choose from to suit every theme from delicate gold frames, acrylic table numbers, mini chalkboards to timber cuts with calligraphy font and a choice of designs.

Centrepieces

With over twenty different options, this is really where you can bring in your own personality into the Barn. We have a mixture of centrepiece options ranging from our classic silver or gold candelabras, cream or pink cherry blossom trees, a mixture of glassware and candle holders to natural elements including timber crates, wood slices and cuts, driftwood and eco-friendly planter pots. Florals are also included in your centrepiece to match your theme.

Table Runners

Table runners are a quick way to add a pop of colour to your tables, we have a range of shades to select from in organza, silk, chiffon, sequin, pattern and burlap.

Napkin Details

Small details can make a big difference to your tablescape, add a sprig of greenery or touch of floral to each napkin on your top table for the ultimate effect.

SOME FREQUENTLY ASKED QUESTIONS!

When should we contact Rí Weddings & Events?

We recommend getting in touch at least three months prior to your wedding day. However please feel free to get in touch whenever you'd like! A really good tip prior to contacting us is to have a browse through our social media and website to get an idea of what you like / dislike and to save everything you love into one folder!

Do we have to do anything on the day?

Our motto is "We Create, You Celebrate" and we really mean it! Your only job for the day is to sit back, relax and enjoy every moment.

Do you provide church décor?

Absolutely, we would love to style your ceremony and ensure a flow of continuity in the décor from your ceremony right through to your reception. We are quite busy at the moment so if you think you may require décor for your ceremony or church, please contact us as soon as possible.

We have favours / bathroom baskets / guest book to set out on the day, who looks after this?

We will gladly look after this for you, just let us know what extras you have prior to your wedding.

Can we order extra décor that isn't included in our package?

Of course you can! If you see anything you just love and isn't already included, make sure to pop me a message. Similar to church décor, we are quite busy at the moment so to save from disappointment, I would advise contacting us as soon as possible to lock in any extra décor.

Do I need a florist for the venue?

All the florals on your tables and displays are included in your package with Hotel Doolin. The only florals you'll need to organise are your bouquets / buttonholes. If you're having trouble finding a florist, please reach out - I have a list of local florists I work with regularly and would highly recommend.

Please feel free to join us on our social media platforms, they are a great source of inspiration along the way! Looking forward to being a small part of your big day!
