

STONEWALL

WOOD-FIRED PIZZERIA, ORGANIC WINE BAR
& COFFEE HOUSE

Our Dough

Made fresh every morning in house from fresh yeast, Tipo '00' flour, water and salt, our pizza dough is based on a traditional Neapolitan recipe that's slowly fermented over 72 hours, giving the dough time to develop deep flavour and form the perfect crust.

Our Oven

Our oven was handmade in Italy and we use kiln dried wood from sustainable forests. The oven can take two hours to heat up and reaches temperatures of 400C which ensures the perfectly crisp and airy crust, what the Italians call the cornicione.

Our Toppings

Italian inspired pizza with the cream of Irish ingredients sourced from our polytunnel and gardens and our favourite local suppliers.

Our Sauce

We use plum tomatoes for our crushed sauce with garden fresh oregano, garlic and just a touch of sea salt. It is uncooked to bring out the freshest flavours in cooking.

All our bases are vegan.
Gluten-free bases on request.
Vegan cheese on request.
